Vitaliy Chychuga

JUNIOR FRONT-END DEVELOPER

Харьков, Харьковская область, Украина

Общие сведения

My main achievement for myself personally is that by visiting 80% of the metallurgical production (public and private) enterprises of Ukraine, I directly or indirectly contributed to improving the quality of their products. And also, under my leadership, a mass installation of hot water meters at 4 tariffs was developed, manufactured and carried out. Thus, 40% cash savings were achieved for the population.
